PRESIDENT'S MESSAGE (Cont'd)

This will be a favor to me personally, and, certainly to many of the judges. It has come to my attention that some Chapters do not have a complete list of judges, therefore, some judges whose names are not on the lists do not get invited to judge. This is urgent, so, please DO get these lists to Mrs. Craig as early as possible.

It has not been possible for us to answer the wonderful cards and letters you have sent to us, so, we are taking this method of thanking you for your thoughtfulness, your prayers and your good wishes.

We have missed seeing you at the shows.

Sincerely,

Rose and Walker Lyon
